

## Boy Scout Summer Camp 2010

Troop 223's summer camp experience will be from Sunday, June 13 to Saturday, June 19, at beautiful Camp Chawanakee. We have secured the same campground (Pomo) which is right on Shaver Lake. There is room for 40 scouts and our adult leaders. The cost of camp this year is \$325.00. A deposit of \$100 secures your spot and lets the troop know how many campers to expect. Your deposit can be paid by check made payable to Troop 223 or by transfer from your son's fundraising saving account. The savings accounts are posted at the scout meetings or can be verified by me. The balance of \$225 will be due by May 15, 2010. Those who put in qualifying hours at the fireworks stand last summer will receive a \$100 credit for Camp Chawanakee. The boys will be able to add to their fundraising accounts before May 15 by participating in our next two fundraisers (you will receive information from the fundraising committee soon).
